7. All the workers engaged by the outsourcing agency shall have uniform with the logo of the Agency.
8. All the staffs of the OS agency shall bear photo identity cards during the period of the work, which shall be duly signed by the Head of the concerned hospital [DMO (MS) cum Superintendent for DHH, MOI/C for CHC].
9. The outsourcing agency shall furnish the list of staff (above 18 years of age only) with proof of Identity and Address to the concerned Authority after finalisation of the contract for outsourcing of services.
10. All the personnel to be engaged by the organisation /Agency should be covered under the statutory Government regulations (Labour laws & regulations) framed from time to time.
11. The concerned authority of the hospital may request the tenderer /Agency to withdraw any of their workers from the hospital without assigning any reasons, within 24 hours prior intimation.
12. The tenderer/Agency will abide by all the rules and regulation relating to labour laws, accident, workmen compensation Act, Workmen insurance, ESI, PF, Fire Safety, etc. This will be the sole responsibility of the Tenderer/Agency. The Authority will not be a party at any stage to any kind of dispute arises relating to the above.
13. Any damage /pilferage to hospital property due to mishandling, carelessness of the contractor/agency or his workmen will be recoverable from the Agency bill and all materials issued to the contractor/Agency shall be his /her sole responsibility for its safety during the entire period of the contract.
14. The selected Agency/Organisation should depute dedicated and qualified staff(trained in the field of Biomedical Waste Management or having experience in handling the Biomedical Wastes) to manage the Biomedical waste management activities such as collection ,transportation, storage, treatment and disposal in the hospital premises(offsite/onsite). It will also coordinate with biomedical waste management committee of the hospital and be responsible for supervision of the said work. The workman should be provided with mobile number (24x7 functional) for emergency need at any time by the Agency.
15. All the employees of Agency/Organisation will have to be covered under insurance against any personnel accidents/ health hazards and the Hospital Authority will not be liable for payment if any compensation on that account.
16. During execution of work, Agency/Organisation should follow all standard norms of safety measures/precautions to avoid accidents/damages to men, machine and infrastructure etc. On non performance to this clause suitable fine/penalty as decided by the Authority will be imposed.
17. All the generation points of BMW at Health care Units (DHH/CHC/PHC) must have colour coded Container/bins with cover. The designated bio-degradable colour coded poly bag with bio hazard symbol will be supplied by OS agency & to be put in respective coloured coded container/bins and lifted by the OS agency/organization when they become two third full. Bags are to be closed by tying a string and recorded and then transported to the temporary storage area (onsite/offsite) for treatment and disposal utilizing the BMW equipment (Onsite/Offsite). Each bag shall be labelled as per BMW (H&M) Rules 2016. The colour coded bags or containers /bins shall be strong enough to withstand any possible damage that may occur during loading, transportation or unloading of such

H. G. G.
DMO & PHO
Nayagarh

bags/containers. These containers shall also be labeled as per the schedule-IV of the rules. Sharps must be collected in puncture proof container containing disinfectant after their mutilation with needle syringe terminator/Hub cutter. Mutilated infected plastics must be collected and properly disinfected/autoclaved by the OS agency. The person identified for collection of Bio-Medical Waste must carry a register with him to maintain the record such as name of the generation point, type and quantity of waste received, signature of the authorized person (I/C sister of the ward), day and time of collection etc. A similar register is to be maintained by matron for BMW.

18. Agency has to give attention that no Untreated Biomedical waste should be kept in the hospital premises beyond 48 hours. In case it is beyond 48hrs. It must obtain the permission of OSPCB for the purpose.

19. The collection and transportation of Bio-Medical Waste shall be carried out in a manner so as to avoid any possible hazard to human health and environment. The timing of collection of the waste will be preferably before 8. 00 AM daily.

a. The Bio-Medical Waste collected in biodegradable poly bags/ containers shall be collected from generation points of HCE (DHH/CHC/PHC) and transported to the nearest BMW management unit located at DHH or offsite BMW treatment plant in fully covered vehicle. Such vehicle must be labeled with bio hazard symbol and dedicated for transportations of Bio Medical Waste only and to be provided by the OS agency Organization.

b. The Agency/Organization must collect the Bio-Medical Waste from the DHH/CHC/PHC & other peripheral Govt. Hospitals in a specified vehicle container. For this purpose a MOU shall be signed between the OS agency and CDM & PHO of the respective district regarding the requisite fee as finalized in the above tender process. (for the transportation charges per KM and service charges per bed per day).

c. the requisite out sourcing charges as per finalization of rate contract to be paid by the concerned CDMO as per district BMW committee decision.

d. For Collection of Bio-Medical Wastes from DHH/CHC/PHC it should be kept in mind to minimize the k.m. i.e the route map should be justified in such a way that it covers maximum to maximum health institutions in one route during travel of the collecting vehicle for BMW.

20. Agency will be responsible for collection, transportation, temporary storage, treatment & disposal of general waste by coordination with Municipality/NAC/ local authorities of the district.

21. As per the provision of Biomedical Waste Management & Handling Rule-2016 is mandatory to segregate, collect, transport, store, treat & dispose BMWs generated for the DHH/CHC/PHC.

22. It is the responsibility of agency to provide the bio- degradable poly bags & other consumables However the Health Institutions has to ensure placing of colored coded container/bins with bio hazard symbol at the generation points in the hospitals.
