Special Conditions Percentage Rate Contract.
Amendment to para-3.55 Vol.I-Dt.17.05.2006.

Following new provision shall be made to quote the rate of work by the contractor
3.5.5 (V) Percentage rate contract.

Percentage contract will be in addition to item rate .lump sum contracts etc in such contract the schedule of quantities shall mention estimated rate of such item & amount there to. The contractor has to mention percentage excess or less over the estimated cost (in figures as well as words) in the prescribed format appended to the tender document .The contractors participated in the tender for more than one work may offer conditional rebates. Rebate offer submitted in separate sealed envelope shall be opened declared & recorded first. The rebates so offered, shall be considered after opening of all package called in the same tender notice. The contractor who wish to tender for two or more works shall submit separate tender for each. Each tender shall have the name & number of the works to which they refer written-on the envelope.

The adopted format for percentage rate is same as that of the form adopted for item rate tenders but the word " item rate " shall be replaced by "percentage rate " and the contract form may be named as P-I . In this form time is the essence. The contractor is required to maintain a certain rate of progress specified in the contract. The contract can also be terminated with penalty when the progress of work is not as per condition of contract. The quantity mention can be increase or reduce to the extent 10% for individual items subject to a maximum of 5% over the estimated cost. If it exceeds the limit stated above prior approval of competent authority is mandatory before making any payment. The period of completion is fixed and cannot be altered except in case of exceptional circumstances with due approval of next higher authority.

In case of percentage rate tenders, only percentage quoted shall be considered. Percentage quoted by the contractor shall be accurately filled in figure and words, so that there is no discrepancy. If any discrepancy is found in the percentage quoted in words and figure then the percentage quoted by the contractor in words shall be taken as correct. If any discrepancy is found in the percentage quoted in percentage excess/less and total rate quoted by the contractor then percentage will be taken as correct. The percentage quoted the tender without mentioning excess or less & not supported with the corresponding amount will be treated as excess. The contractor will write percentage excess or less up to one decimal point only, if, he writes the percentage excess or less up to two or more decimal point, the first decimal point shall only be considered without rounding off. Where the contractor has omitted to quote the rates either in figures and words the officer opening the tender should record the omission.

Bills for percentage rate tender shall be prepared at the estimated rates for individual items only and the percentage excess or less shall be added or subtracted from the gross amount of the bill.

Special Conditions Percentage Rate Contract.

Amendment to para-3.55 Vol.I-Dt.17.05.2006.

Following new provision shall be made to quote the rate of work by the contractor
3.5.5 (V) Percentage rate contract.

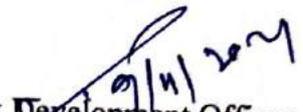

Percentage contract will be in addition to item rate .lump sum contracts etc in such contract the schedule of quantities shall mention estimated rate of such item & amount there to. The contractor has to mention percentage excess or less over the estimated cost (in figures as well as words) in the prescribed format appended to the tender document .The contractors participated in the tender for more than one work may offer conditional rebates. Rebate offer submitted in separate sealed envelope shall be opened declared & recorded first. The rebates so offered, shall be considered after opening of all package called in the same tender notice. The contractor who wish to tender for two or more works shall submit separate tender for each. Each tender shall have the name & number of the works to which they refer written on the envelope.

The adopted format for percentage rate is same as that of the form adopted for item rate tenders but the word " item rate " shall be replaced by "percentage rate " and the contract form may be named as P-I . In this form time is the essence. The contractor is required to maintain a certain rate of progress specified in the contract. The contract can also be terminated with penalty when the progress of work is not as per condition of contract. The quantity mention can be increase or reduce to the extent 10% for individual items subject to a maximum of 5% over the estimated cost. If it exceeds the limit stated above prior approval of competent authority is mandatory before making any payment. The period of completion is fixed and cannot be altered except in case of exceptional circumstances with due approval of next higher authority.

In case of percentage rate tenders, only percentage quoted shall be considered. Percentage quoted by the contractor shall be accurately filled in figure and words, so that there is no discrepancy. If any discrepancy is found in the percentage quoted in words and figure then the percentage quoted by the contractor in words shall be taken as correct. If any discrepancy is found in the percentage quoted in percentage excess/less and total rate quoted by the contractor then percentage will be taken as correct. The percentage quoted the tender without mentioning excess or less & not supported with the corresponding amount will be treated as excess. The contractor will write percentage excess or less up to one decimal point only, if, he writes the percentage excess or less up to two or more decimal point, the first decimal point shall only be considered without rounding off. Where the contractor has omitted to quote the rates either in figures and words the officer opening the tender should record the omission.

Bills for percentage rate tender shall be prepared at the estimated rates for individual items only and the percentage excess or less shall be added or subtracted from the gross amount of the bill.
